**PETITION**

Commissioner for Patents  
Washington, District of Columbia 20231

Dear Sir:

In response to your office communication dated September 21, 2006, the applicants make the following petition. The applicants did not previously pay the issue fee because they did not receive a timely notice of allowance. For reasons unknown to the applicants the original notice of allowance was returned to the Office instead of being delivered to the applicants, despite the fact that the address is a valid address. A subsequent notice of allowance was received by the applicants after the time period for paying the issue fee had expired. A corrected notice of allowance has now been received with an updated due date. The applicants submit issue fee along with a petition fee of \$130 requesting that the fee be accepted as timely

Very respectfully,

Applicant/s:
